Hemp Related Projects

Hemp related projects: Please note that no assistance or funding can be provided to a hemp producer unless they have a valid license issued from an approved State, Tribal or Federal plan as per Section 10113 of the Agriculture Improvement Act of 2018, Public Law 115–334. Persistent Poverty Counties

The Further Consolidated Appropriations Act, 2020 (P.L. 116-94), SEC. 740 designates funding for projects in Persistent Poverty counties. Persistent Poverty counties as defined in SEC. 740 is “any county that has had 20 percent or more of its population living in poverty over the past 30 years, as measured by the 1990 and 2000 decennial censuses, and 2007–2011 American Community Survey 5-year average, or any territory or possession of the United States”. Another provision in SEC. 740 expands the eligible population in Persistent Poverty counties to include any county seat of such a persistent poverty county that has a population that does not exceed the authorized population limit by more than 10 percent. This provision expands the current 50,000 population limit to 55,000 for only county seats located in Persistent Poverty counties. Therefore, applicants and/or beneficiaries of technical assistance services located in Persistent Poverty county seats with populations up to 55,000 (per the 2010 Census) are eligible.

COVID-19 Administrative Relief Exceptions: The Agency reviewed the Office of Budget and Management’s (OMB) M-20-26 memorandum “Extension of Administrative Relief for Recipients and Applicants of Federal Financial Assistance Directly Impacted by the Novel Coronavirus (COVID-19) due to Loss of Operations” and has made every attempt to reduce administrative burden within our authority. Any reduction in burden will be discussed within the requirement.

The Agency will not solicit or consider new scoring or eligibility information that is submitted after the application deadline. The Agency reserves the right to contact applicants to seek clarification on materials contained in the submitted application. See

the Application Guide for a full discussion of each item. For requirements of completed grant applications, refer to Section D of this document.

Paperwork Reduction Act

A. Program Description

The SDGG program is authorized by section 310B (e)(11) of the Consolidated Farm and Rural Development Act (7 U.S.C. 1932 (e)(11)) as amended by the Agriculture Improvement Act of 2018 (Pub. L. 115-334). The primary objective of the SDGG program is to provide Technical Assistance to Socially-Disadvantaged Groups. Grants are available for Cooperative Development Centers, individual Cooperatives, or Groups of Cooperatives that serve Socially-Disadvantaged Groups and where a majority of their board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups.

Definitions

The definitions you need to understand are as follows:

Agency -- Rural Business-Cooperative Service, an agency of the United States Department of Agriculture (USDA) Rural Development or a successor agency.

Conflict of Interest -- A situation in which a person or entity has competing personal, professional, or financial interests that make it difficult for the person or business to act impartially. Federal procurement standards prohibit transactions that involve a real or apparent conflict of interest for owners, employees, officers, agents, or

their immediate family members having a financial or other interest in the outcome of the project; or that restrict open and free competition for unrestrained trade. Specifically, project funds may not be used for services or goods going to, or coming from, a person or entity with a real or apparent conflict of interest, including, but not limited to, owner(s) and their immediate family members. Examples of conflicts of interest include using grant funds to pay a member of the applicant's board of directors to provide proposed Technical Assistance to Socially-Disadvantaged Groups; pay a cooperative member to provide proposed Technical Assistance to other members of the same cooperative; and pay an immediate family member of the applicant to provide proposed Technical Assistance to Socially-Disadvantaged Groups.

Cooperative -- A business or organization owned by and operated for the benefit of those using its services and where a majority of the board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups. Profits and earnings generated by the cooperative are distributed among the members, also known as user-owners.

Cooperative Development Center -- A nonprofit corporation or institution of higher education operated by the grantee for cooperative or business development and where a majority of the board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups. It may or may not be an independent legal entity separate from the grantee.

Feasibility Study -- An analysis of the economic, market, technical, financial, and management feasibility of a proposed Project.

Group of Cooperatives -- A group of Cooperatives whose primary focus is to provide assistance to Socially-Disadvantaged Groups and where a majority of the board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups. One of the Cooperatives must be designated as the lead entity and have legal authority to contract with the Federal Government.

Operating Cost -- The day-to-day expenses of running a business; for example: utilities, rent on the office space a business occupies, salaries, depreciation, marketing and advertising, and other basic overhead items.

Participant Support Costs -- Direct costs for items such as stipends or subsistence allowances, travel allowances, and registration fees paid to or on behalf of participants or trainees (but not employees) in connection with conferences, or training projects.

Project -- Includes all activities to be funded by the Socially-Disadvantaged Groups Grant.

Rural and Rural Area -- Any area of a State:

- (1) Not in a city or town that has a population of more than 50,000 inhabitants, according to the latest decennial census of the United States; and
 - (2) The contiguous and adjacent urbanized area,
 - (3) Urbanized areas that are rural in character as defined by 7 U.S.C. 1991 (a)
- (13).
- (4) For the purposes of this definition, cities and towns are incorporated population centers with definite boundaries, local self-government, and legal powers set forth in a charter granted by the State. Notwithstanding any other provision of this paragraph, within the areas of the County of Honolulu, Hawaii, and the Commonwealth

of Puerto Rico, the Secretary may designate any part of the areas as a rural area if the Secretary determines that the part is not urban in character, other than any area included in the Honolulu census designated place (CDP) or the San Juan CDP.

Rural Development -- A mission area within USDA consisting of the Office of Under Secretary for Rural Development, Rural Business-Cooperative Services, Rural Housing Service, and Rural Utilities Service and any successors.

Socially-Disadvantaged Group – A group whose members have been subjected to racial, ethnic, or gender prejudice because of their identity as members of a group without regard to their individual qualities.

State -- Includes each of the 50 states, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and, as may be determined by the Secretary to be feasible, appropriate and lawful, the Federated States of Micronesia, the Republic of the Marshall Islands and the Republic of Palau.

Technical Assistance -- An advisory service performed for the purpose of assisting Cooperatives or groups that want to form Cooperatives such as market research, product and/or service improvement, legal advice and assistance, Feasibility Study, business planning, marketing plan development, and training.

Type of Award: Competitive Grant.

Fiscal Year Funds: FY2020.

Total Funding: \$3,000,000.

Maximum Award: \$175,000.

Project Period: 1 year.

Anticipated Award Date: September 30, 2020.

C. Eligibility Information

Applicants must meet all the following eligibility requirements. Applications which fail to meet any of these requirements by the application deadline will be deemed ineligible and will not be evaluated further.

1. *Eligible Applicants.* Grants may be made to individual Cooperatives, Groups of Cooperatives, and Cooperative Development Centers that serve Socially- Disadvantaged Groups and where a majority of the board of directors or governing board is comprised of individuals who are members of Socially-Disadvantaged Groups. You must be able to verify your legal structure in the State or the tribe under which you are incorporated. Grants may not be made to public bodies or to individuals. Your application must demonstrate that you meet all definition requirements for one of the three eligible applicant types as defined above under Program Description. Federally-recognized tribes have a government-to-government relationship with the United States and may have difficulty meeting the definition requirements. Therefore, it is recommended that they utilize a separate entity, such as a tribally-owned business, tribal authority, tribal non-profit, tribal College or University to apply for SDGG funding that would provide Technical Assistance to members of the tribe. This separate tribal entity must also demonstrate that it meets all definition requirements for one of the three eligible applicant types as defined above.

(a) An applicant is ineligible if they have been debarred or suspended or otherwise excluded from or ineligible for participation in Federal assistance programs

under Executive Order 12549, “Debarment and Suspension.” The Agency will check the System for Award Management (SAM) to determine if the applicant has been debarred or suspended. In addition, an applicant will be considered ineligible for a grant due to an outstanding judgment obtained by the U.S. in a Federal Court (other than U.S. Tax Court), is delinquent on the payment of Federal income taxes, or is delinquent on Federal debt. The applicant must certify as part of the application that they do not have an outstanding judgment against them. The Agency will check the Do Not Pay System to verify this information.

(b) Any corporation (i) that has been convicted of a felony criminal violation under any Federal law within the past 24 months or (ii) that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, is not eligible for financial assistance provided with funds appropriated by the Further Consolidated Appropriations Act, 2020 (Pub. L. 116-94), unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government. Note: Corporations no longer must complete the Form AD 3030, “Representation Regarding Felony Corporations and Tax Delinquent Status for Corporate Applicants” as a part of the application. This information is now collected through registration or annual recertification in SAM.gov via the Financial Assistance General Certifications and Representations. Institutions of Higher Education are not required to submit this form.

2. *Cost Sharing or Matching.* No matching funds are required.

3. *Other Eligibility Requirements.*

Use of Funds: Your application must propose Technical Assistance that will benefit Socially-Disadvantaged Groups. Cooperatives that are recipients of Technical Assistance must have a membership that consists of a majority of members from Socially-Disadvantaged Groups. Please review section D (6) of this Notice, “Funding Restrictions,” carefully.

Project Eligibility: The proposed Project must only serve members of Socially-Disadvantaged Groups in Rural Areas.

Grant Period Eligibility: Your application must include a grant period of one-year or less or it will not be considered for funding. The proposed time frame should begin no earlier than October 1, 2020 and end no later than December 31, 2021.

Applications that request funds for a time period ending after December 31, 2021, will not be considered for funding. You should note that the anticipated award date is September 30, 2020. Projects must be completed within the 12-months or less time frame.

The Agency may approve requests to extend the grant period for up to an additional 12 months at its discretion. However, you may not have more than one SDGG during the same grant period. If you extend the period of performance for your current award, you may be deemed ineligible to receive a SDGG in the next grant cycle. Further guidance on grant period extensions will be provided in the award document. The Agency understands that fiscal year 2019 recipients may have had loss of operations due to COVID-19 and will work with them to determine an acceptable grant period if they are

awarded in fiscal year 2020 in accordance with OMB Memoranda M-20-26 and 2 CFR § 200.308.

Satisfactory performance eligibility: You must be performing satisfactorily on any outstanding SDGG award to be considered eligible for a new award. Satisfactory performance includes being up-to-date on all financial and performance reports as prescribed in the grant award, and current on tasks and timeframes for utilizing grant and matching funds as approved in the work plan and budget. If you have any unspent grant funds on SDGG awards prior to FY 2019, your application will not be considered for funding. If your FY 2019 award has unspent funds of 50 percent or more than what your approved work plan and budget projected at the time of evaluation of your FY 2020 application, your FY 2020 application may not be considered for funding. The Agency will verify the performance status of FY 2019 awards and make a determination after the FY 2020 application period closes. The Agency understands that fiscal year 2019 recipients may have had a loss of operations due to COVID-19 and will consider providing flexibility in terms of fund utilization on FY 19 awards with acceptable justification of delays resulting from the COVID-19 pandemic in accordance with OMB Memorandum M-20-26 and 2 CFR § 200.343.

Completeness Eligibility: Your application must provide all the information requested in Section D (2) of this Notice. Applications lacking sufficient information to determine eligibility and scoring will be considered ineligible.

Duplication of current services. Your application must demonstrate that you are providing services to new customers or new services to current customers. If your work

plan and budget is duplicative of your existing award, your application will not be considered for funding. If your work plan and budget is duplicative of a previous or existing Rural Cooperative Development Grant (RCDG) and/or SDGG award, your application will not be considered for funding. Please note that the Agency only allows one active award to ensure that there is no duplication of services. The Agency will work with FY 2019 recipients who request an extension of their FY 2019 award due to COVID-19 loss of operations to determine an acceptable grant period if they are awarded in fiscal year 2020 in accordance with OMB Memorandum M-20-26 and 2 CFR § 200.343. Thus, requesting an extension on a FY 2019 award is not cause for deeming a FY 2020 application ineligible.

Multiple Grant Eligibility: You may only submit one SDGG grant application each funding cycle. If two applications are submitted (regardless of the applicant name) that include the same Executive Director and/or advisory boards or committees of an existing cooperative or cooperative development center, both applications will be determined ineligible for funding.

You must apply as only one type of applicant. The requested verification documents should be included in Appendix A of your application. If they are not included, your application will not be considered for funding.

(2) Use of Funds. You must provide a brief discussion on how the proposed Project activities meet the definition of Technical Assistance and identify the Socially-Disadvantaged Groups that will be assisted.

(3) Project Area. You must provide specific information that details the location of the Project area and explain how the area meets the definition of “Rural Area.”

If you have not fully complied with all applicable DUNS and SAM requirements, the Agency may determine that the applicant is not qualified to receive a Federal award and the Agency may use that determination as a basis for making an award to another applicant. In accordance with OMB Memoranda M-20-26, the Agency can accept an application without an active SAM registration. However, the registration must be completed before an award is made. Current registrants in SAM with active registrations expiring before May 16, 2020 will be afforded a one-time extension of 60 days. 5. *Intergovernmental Review*

Executive Order (EO) 12372, “Intergovernmental Review of Federal Programs,” applies to this program. This E.O. requires that Federal agencies provide opportunities for consultation on proposed assistance with State and local governments. Many States have established a Single Point of Contact (SPOC) to facilitate this consultation. For a list of States that maintain a SPOC, please see the White House Web site:

<https://www.whitehouse.gov/wp-content/uploads/2017/11/SPOC-Feb.-2018.pdf>.

If your State has a SPOC, you may submit a copy of the application directly for review. Any comments obtained through the SPOC must be provided to your State Office for consideration as part of your application. If your State has not established a SPOC, or if you do not want to submit a copy of the application, our State Offices will submit your application to the SPOC or other appropriate agency or agencies.

We will consider your application for funding if it includes ineligible costs of 10 percent or less of total grant funds requested, if it is determined eligible otherwise.

You must submit your application electronically, through Grants.gov. You can find State Office contact information at: <http://www.rd.usda.gov/contact-us/state-offices>. (b) National Environmental Policy Act. This Notice has been reviewed in accordance with 7 CFR part 1970, “Environmental Policies and Procedures.” We have determined that an Environmental Impact Statement is not required because the issuance of regulations and instructions, as well as amendments to them, describing administrative and financial procedures for processing, approving, and implementing the Agency’s financial programs is categorically excluded in the Agency’s National Environmental Policy Act (NEPA) regulation found at 7 CFR 1970.53(f). We have determined that this Notice does not constitute a major Federal action significantly affecting the quality of the human environment.

The Agency will review each grant application to determine its compliance with 7 CFR part 1970. The applicant may be asked to provide additional information or documentation to assist the Agency with this determination.

(c) Civil Rights Compliance Requirements. All grants made under this Notice are subject to Title VI of the Civil Rights Act of 1964 as required by the USDA (7 CFR part 15, subpart A) and Section 504 of the Rehabilitation Act of 1973.

If determined eligible, your application will be scored by a panel of USDA employees in accordance with the point allocation specified in this Notice. Applications that cannot be fully funded may be offered partial funding at the Agency’s discretion.

1. *Scoring Criteria*

All eligible and complete applications will be evaluated based on the following criteria. Evaluators will base scores only on the information provided or cross-referenced by page number in each individual evaluation criterion. SDGG is a competitive program, so you will receive scores based on the quality of your responses. Simply addressing the criteria will not guarantee higher scores. The total points possible for the criteria are 105.

(a) *Technical Assistance (maximum score of 25 points)* – Three-page limit. A panel of USDA employees will evaluate your application to determine your ability to assess the needs of and provide effective Technical Assistance to Socially-Disadvantaged Groups. You must discuss the:

(1) Needs of the Socially-Disadvantaged Groups to be assisted and explain how those needs were determined,

(2) Proposed Technical Assistance to be provided to the Socially-Disadvantaged Groups; and

(3) Expected outcomes of the proposed Technical Assistance, including how Socially-Disadvantaged Groups will benefit from participating in the Project. You will score higher on this criterion if you provide examples of past projects that demonstrate successful outcomes in identifying specific needs and providing Technical Assistance to Socially-Disadvantaged Groups.

(b) *Work Plan /Budget (maximum of 25 points)* – Six-page limit. Your work plan must provide specific and detailed descriptions of the tasks and the key project personnel that will accomplish the project's goals. Budget will be reviewed for completeness. You must list what tasks are to be done, when it will be done, who will do

it, and how much it will cost. Reviewers must be able to understand what is being proposed and how the grant funds will be spent. The budget must be a detailed breakdown of estimated costs. These costs should be allocated to each of the tasks to be undertaken.

A panel of USDA employees will evaluate your work plan for detailed actions and an accompanying timetable for implementing the proposal. Clear, logical, realistic, and efficient plans that allocate costs to specific tasks using applicable budget object class categories provided on the Form SF-424A will result in a higher score. You must discuss at a minimum:

- (i) Specific tasks to be completed using grant funds;
- (ii) How customers will be identified;
- (iii) Key personnel and what tasks they are undertaking, and
- (iv) The evaluation methods to be used to determine the success of specific

tasks and overall project objectives. Please provide qualitative methods of evaluation. For example, evaluation methods should go beyond quantitative measurements of completing surveys or number of evaluations, such as discussion of evaluation methods per task.

(c) *Experience (maximum score of 25 points)* – Three-page limit. A panel of USDA employees will evaluate your experience, commitment and availability for identified staff or consultants in providing Technical Assistance, as defined in this Notice. You must describe the Technical Assistance experience for each identified staff member or consultant, as well as years of experience in providing that assistance. You must also discuss the commitment and the availability of identified staff, consultants, or

other professionals to be hired for the project—especially those who may be consulting on multiple SDGG/RCDG projects. If staff or consultants have not been selected at the time of application, you must provide specific descriptions of the qualifications required for the positions to be filled. In addition, resumes for each individual staff member or consultant must be included as an attachment in Appendix B. The attachments will not count toward the maximum page total. We will compare the described experience in this section and in the resumes to the work plan to determine relevance of the experience. Applications that do not include the attached resumes will not be considered for funding.

Applications that demonstrate strong credentials, education, capabilities, experience and availability of Project personnel that will contribute to a high likelihood of Project success will receive more points than those that demonstrate less potential for success in these areas.

Points will be awarded as follows:

- (i) 0 points will be awarded if you do not substantively address the criterion.
- (ii) 1-9 points will be awarded if qualifications and experience of some, but not all, staff is addressed and/or if necessary qualifications of unfilled positions are not provided.
- (iii) 10-14 points will be awarded if (ii) is met, plus all project personnel are identified but do not demonstrate qualifications or experience relevant to the project.
- (iv) 15-19 will be awarded if (ii) and (iii) are met, plus most, but not all, key personnel demonstrate strong credentials and/or experience, and availability indicating a reasonable likelihood of success.
- (v) 20-25 points will be awarded if (ii)-(iv) are met, plus all personnel

demonstrate strong, relevant credentials or experience, and availability indicating a high likelihood of project success.

(d) *Commitment (maximum of 10 points)* – Three-page limit. A panel of USDA employees will evaluate your commitment to providing Technical Assistance to Socially-Disadvantaged Groups in Rural Areas. You must list the number and location of Socially-Disadvantaged Groups that will directly benefit from the assistance provided. You must also define and describe the underserved and economically distressed areas within your service area and provide current and relevant statistics that support your description of the service area. Projects located in persistent poverty counties as defined in SEC. 740 of Further Consolidated Appropriations Act 2020, P.L. 116-94, will score higher on this factor.

(e) *Local support (maximum of 10 points)* – Three-page limit. A panel of USDA employees will evaluate your application for local support of the Technical Assistance activities. Your discussion on local support should include previous and/or expected local support and plans for coordinating with other developmental organizations in the proposed service area or with tribal, State and local government institutions. You will score higher if you demonstrate strong support from potential beneficiaries and other developmental organizations. You may also submit a maximum of 10 letters of support or intent to coordinate with the application to verify your discussion.

Points will be awarded as follows:

(i) 0 points are awarded if you do not adequately address this criterion.

(ii) 1 -5 points are awarded if you demonstrate support from potential beneficiaries and other developmental organizations in your discussion but do not provide letters of support.

(iii) Additional 1 point is awarded if you provide 2-3 support letters that show support from potential beneficiaries and/or support from local organizations.

(iv) Additional 2 points are awarded if you provide 4-5 support letters that show support from potential beneficiaries and/or support from local organizations.

(v) Additional 3 points are awarded if you provide 6-7 support letters that show support from potential beneficiaries and/or support from local organizations.

(vi) Additional 4 points are awarded if you provide 8-9 support letters that show support from potential beneficiaries and/or support from local organizations.

(vii) Additional 5 points are awarded if you provide 10 support letters that show support from potential beneficiaries and/or support from local organizations.

You may submit a maximum of 10 letters of support. Support letters should be signed and dated (after the Notice publication date,) and come from potential beneficiaries and other local organizations. Letters received from Congressional members and Technical Assistance providers will not be included in the count of support letters received. Additionally, identical form letters signed by multiple potential beneficiaries and/or local organizations will not be included in the count of support letters received. Support letters should be included as an attachment to the application in Appendix C and will not count against the maximum page total. Additional letters from industry groups, commodity groups, Congressional members, and similar organizations should be referenced, but not included in the application package. When referencing

these letters, provide the name of the organization, date of the letter, the nature of the support, and the name and title of the person signing the letter.

(f) *Administrator Discretionary Points (maximum of 10 points)* – Three-page limit. The Administrator may choose to award up to 10 points to an eligible applicant who has never previously been awarded an SDGG grant; and whose workplan and budget seeks to help rural communities build robust and sustainable economies through strategic investments in infrastructure, partnerships and innovation. These points are not guaranteed if requested. Eligible applicants who want to be considered for discretionary points must discuss how their workplan and budget supports one or more of the five following key strategies:

Achieving e-Connectivity for Rural America;

Improving Quality of Life;

Supporting a Rural Workforce;

Harnessing Technological Innovation; and

Economic Development

2. *Review and Selection Process*

The State Offices will review applications to determine if they are eligible for assistance based on requirements in this Notice, and other applicable Federal regulations. If determined eligible, your application will be scored by a panel of USDA employees in accordance with the point allocation specified in this Notice. The review panel will convene to reach a consensus on the scores for each of the eligible applications. The Administrator may choose to award up to 10 Administrator priority points based on

criterion (f) in section E.1. of this Notice. These points will be added to the cumulative score for a total possible score of 105. Applications will be funded in highest ranking order until the funding limitation has been reached. Applications that cannot be fully funded may be offered partial funding at the Agency's discretion. If your application is ranked and not funded, it will not be carried forward into the next competition.
